Refugee Children in Need of Tuition Help to Attend Holy Cross School

For the past 5 years our school has been blessed with a number of students who are refugees from other countries who have been resettled in Rochester. They are bright, very eager to learn, and a great gift to our school. Because they are able to pay only a small amount towards tuition, we have asked people to help support them with money for their tuition. Bishop Matano is very pleased with this outreach and has actually given us $8,000 each year for the past 3 years. Others from our Parish and from the Sacred Heart Cathedal community have supported this project.

This coming school year there are 8 to 10 more refugee children who would like to become part of Holy Cross School. This could be done without adding any additional staff but we do need sponsors for them. Therefore we’re asking anyone who would be interested in helping to contact Fr Wheeland (663-2244) or Mary Martell (663-6533). We have to have a commitment of support for them before we can enroll them in the school. So it’s important that we hear soon from anyone who’s willing to help them.
